Repro Steps

- Launch Narrator.
- Launch Calculator app.
- Navigate to "Open navigation" button and activate it.
- Navigate to "About" control and activate it.
- Observe the issue.

Actual Result
On activating "About" button, narrator conveys the whole information in one go which is present in "About" pop up window.

Expected Result
On activating "About" button, narrator should not convey the whole information in one go which is present in "About" pop up window.

Test Environment
OS Version: Windows 10 Build 18351.1
App Name: Calculator
App Version: 10.1902.16.0

🏷 **MicrosoftIssueBot** added `Area: Accessibility` `Bug` `needs more info` `Pri: 3` `triage approved` labels on Mar 25
